Not willing to let go of your marriage? Many couples continue to struggle in a marriage, but are not willing to give up on each other. There is hope. Retrouvaille is a program designed to help struggling marriages regain their health. It helps a husband and a wife rediscover or re-awaken the love, trust and commitment that originally brought them together. The program is highly successful in saving hurting marriages, even bringing reconciliation to couples who have already separated or divorced.

Retrouvaille is a peer ministry made up of volunteer couples that can help you learn the tools of healthy communication, build intimacy and heal, just as they have done in their own marriages. For more information about the Victoria August 4-6, 2017, Retrouvaille Weekend, contact John or Jennifer Vincent (361) 580-2770 or email: jbvjov@sbcglobal.net or visit the web site at www.HelpOurMarriage.com

The summer issue of Catholic Extension's magazine, Extension, explores the Catholic Church in Texas which represents a microcosm of the whole Church in the United States – youthful, diverse and growing – and reflects the future of our Church nationwide. It also has a story about the critical role that deacons play in extending the reach of the Church and serving the poor and marginalized. A limited number of FREE copies of **Extension** magazine are available in church. Its compelling stories will help you learn more about the important efforts underway to build churches and the Church in America's poorest places, where faith is strong but resources are limited. A digital version of the magazine can be found at www.catholicextension.org/extension-magazine-newest
