This program is for parents/adults only.

Love or Lust? – Monday, December 3, 7:30 PM, at Sts. Cyril & Methodius Church, Shiner. November 18, 2018 marks the second annual World Day of the Poor. Last year, Pope Francis suggested the Catholic Church set aside one day each year when communities can “reflect on how poverty is at the very heart of the Gospel.” In this year’s message, Pope Francis reflects on Psalm 34:7, “This poor man cried, and the Lord heard him.” He challenges us to use the World Day of the Poor as an opportunity to make an examination of conscience and consider whether we truly do hear the cry of the poor. In the World Day of the Poor, we join God in responding to the poor and ensuring our brothers and sisters in need do not feel alone or abandoned. Pope Francis says that to hear and respond to their cries, we must be in relationship and get to know people who are poor. He encourages parishes around the world to join in solidarity with people who are poor in their communities through a communal action, like praying together or sharing a meal.

Our parishes will mark the **World Day of the Poor** with a **Special Collection for the Catholic Campaign for Human Development**, with the KJZT #23 Juniors **Thanksgiving Food Drive**, and with the YNIA hosted **Fair Trade Gifts Sales** throughout November and December.

Next week, our special collection will be for the **Catholic Campaign for Human Development**. Over 46 million people in the United States live in poverty. This collection supports programs to empower people to identify and address the obstacles they face as they work to lift themselves out of poverty. By supporting this collection you give people a hand up, not a hand out. Twenty-five percent of the CCHD collection stays in the diocese to fund local anti-poverty projects; seventy-five percent supports national grant and education programs. Learn more about the Catholic Campaign for Human Development at www.usccb.org/cchd/collection. You may use the envelope in your set, or mark your donation ‘CCHD’.
